Thank you for your support.

Congratulations to Tobias on successfully completing the Three Peaks Challenge in support of the Stroke Association, raising over £1,000 for this fantastic cause.

The achievement was made even more special as Tobias completed the challenge alongside his best friend, who had recovered from a stroke exactly one year earlier. Together, they climbed Ben Nevis, Scafell Pike, and Snowdon, marking an important milestone in his friend's recovery journey while raising vital funds and awareness for those affected by stroke.

A fantastic achievement by both of them, and a cause we are proud to support.
